

Dub Factor Singing Competition 2016

Congratulations to all 3 winners of the Dub Factor Singing Competition 2016. It was great to see whanau and the community, come and support the Rangatahi of Whakatane. We enjoyed seeing our young people show their amazing talent!! The songs that the performers chose, each had a significant meaning to them.

In 1st place we had Harete Burnett (top left pic) 2nd place was Te Werana Waraki-Wera (top right pic) and in 3rd place went to Mason Glenn (bottom right pic) who all will benefit from this experience.

Overall we had an awesome day full of unbelievable talent, lots of laughter and a supportive crowd.

Big shout out to Whakamax, Action for Youth, Javaman, Fix, WACT and our 3 judges Hapai Hake, Reremoana Piriini and Lloyd Matiu (Mr Dub), also The Sound Manager Gary and all of the staff that assisted with making this event possible. Bring on Dub Factor 2017!!

Kawepūrongo Pai - Good News Story

My course friends are like family to me!

My name is Charlyne I am 18 years old and I am doing the CVS course with Waiariki in Whakatane – I will be getting my NCEA Level 1 & 2. We go travelling and go out and do stuff instead of being stuck inside, because I hate being inside. I am an outdoors person. Every Tuesday's and Thursday's we have course at WACT, we cook and have group competitions with our food. I liked it when we made caramel slice and the peppermint slice.

On Monday's and Wednesday's we usually go on trips to do with Maori Tourism. So far we have been to Mt Putauaki where we learnt stories about the mountain and the history. We went white-water rafting in Rotorua in the Kaituna River where three of my friends fell out of the raft when we were coming down the biggest water-fall. I also helped my friend back to the raft when she fell out. We walked up Mt Maunganui (Mauao) where we performed a haka which we are learning at course. I have become good mates with people on my course. Course friends are like family to me! I encourage others to do this course too.

I have done the Budgeting Programme with WACT. I am getting my Budgeting Incentive and Education Incentive. I have had money management removed. I am able to save my money for things that I want. I can use my money at different shops and am no longer limited by the youth service payment card suppliers.

TEENS Dance Class comes to WACT!!
