

TIKANGA MĀORI MOTIVATIONAL PROGRAMME (POST RELEASE)

WHY TIKANGA MĀORI MOTIVATIONAL PROGRAMME?

Tikanga Māori Motivational Program is a regional service which includes the Rotorua and Tokoroa Community Probation Service Centres. The purpose of the programme is to increase tikanga knowledge which results in increased motivation to address contributing factors to offending. We are looking to support offenders, who are serving a community based sentence. Referrals from all cultural backgrounds are welcome to enrol for this programme.

WHAT DOES THE PROGRAMME LOOK LIKE?

Each Tikanga Māori Motivational Programme is delivered over a weekend which includes a 3 night stay (wānanga) at local marae around the region. The intimately sized groups consist of approximately 15 participants to maximise learning experiences and to ensure quality engagement.

The programme covers key areas such as wairuatanga, whanaungatanga, manaakitanga and rangatiratanga. These combined kaupapa set a solid foundation for building good relationships with whānau and gaining skills to become role models for future generations. Participants can give examples of how kaupapa can be applied in their own lives. Results show that participants increase their overall knowledge and understanding of tikanga māori. Throughout the wānanga, participants are encouraged to set goals by investigating other rehabilitation programmes, training and employment.

WHO DELIVERS TIKANGA MĀORI MOTIVATIONAL PROGRAMME?

We have a number of local facilitators who have extensive experience in delivering our Tikanga Māori Programme. They also have high-level communication and relationship management skills and teach in a way that actively engages and encourages all participants.
